

(Partner of Clinical Services Network - Ottobock.)

Dorset Orthopaedic was started by prosthetist Bob Watts in 1989. Since then, our success has enabled us to grow and expand our clinics to incorporate the whole of the UK. Our full time clinics are located in Ringwood, Hampshire and Burton-upon Trent in the Midlands. In addition, we offer locally accessible satellite clinics which are located in:

London
Kent
Exeter
Leeds
Newcastle
Glasgow

From humble beginnings, Dorset Orthopaedic has grown to become a leading prosthetic and orthotic provider in the UK. In 2014, Dorset Orthopaedic was acquired by Ottobock and began a new journey powered by one of the most prestigious prosthetic manufacturers in the world.

Safe In Our Hands

'Life without limits'. It's not just our slogan; it's our way of seeing the world. It's the driving force behind our history, philosophy and innovation and is why we have achieved a worldwide reputation for excellence. Dorset Orthopaedic

As an independent provider of prosthetic, orthotic, silicone and rehabilitation services, we pride ourselves in continually seeking to understand a clients' unique requirements and deliver individual personalised attention. It's this bespoke service and attention to detail that has gained us our reputation for quality and personalised service for almost 30 years.
