

ottobock.

Ottobock is a world leading supplier of high quality, innovative and practical solutions that restore human mobility and help people to rediscover personal independence.

Ottobock is part of the Ottobock global group of companies established in the UK in 1976. For private patients, Ottobock offers a full range of rehabilitation services through the country's leading private clinics and dealers across the UK and Ireland.

Ottobock has recently extended its clinical reach across Ireland by aligning with Medifix Healthcare Ltd, a supplier of mobility products and Scope Rehab Healthcare Ltd, a supplier of orthotics and prosthetics, strengthening the support given by Ottobock to patients, customers and general product users.

Ottobock is experienced in working with complex cases and is committed to helping you achieve the greatest results possible. With a highly motivated and skilled team of professionals offering expert advice, product sales, service and support, Ottobock solutions enhance the physical comfort, confidence and mobility of the individual. Ottobock aims to achieve the best possible outcome for its customers, combining the latest technology with cutting-edge products and services.
