

## The Douglas Bader Grant Scheme

The **DOUGLAS BADER GRANT SCHEME** provides practical support for the pursuance of achievements by those with disabilities.

This initiative has assisted and will continue to assist countless disabled individuals and groups throughout the UK to achieve a variety of goals in diverse areas ranging from education, the arts, sport and recreation to small businesses.

Please note that we do not support applications for living aids.

We will look at all applications and, depending on the nature of the request, the scheme may help towards or provide the equipment, training, services, further education or other practical support required by the successful applicant.
